**Vancouver, B.C., Canada, June 11, 2024** – Golden Pursuit Resources Ltd. (the “**Company**”) is pleased to announce that it has received approval for a grant under the Mining Incentive Program (MIP) for its Gordon Lake project. In its approval notice, the Northwest Territories Geological Survey stated that the Gordon Lake Project “was highly ranked and approved for funding at 50% of eligible expenses. The total value of your MIP funding for 2024-25 is \$80,788.50.”

This funding will cover part of our 2024 geophysical service and detailed geological mapping in preparation for drilling. Golden Pursuit is anticipating an announcement regarding the start of construction an all-season road that will connect Gordon Lake to Yellowknife via Tibbitt Lake which ends 30 kms south of Gordon Lake. The Company perceives that access will greatly assist and accelerate exploration and development at the Gordon Lake Project. Land and water use permits necessary for exploration are in place with work scheduled to start in the first week of July.

The Company is further pleased to announce that it has retained the services of Renmark Financial Communications Inc. to handle its investor relations activities.

*“We are pleased to announce that we have selected Renmark to reinforce Golden Pursuit Resources’ profile in the financial community and enhance the visibility of our company. We choose Renmark because its standards and methodologies fit best with the message we wish to communicate to the investing public,”* noted Brian McClay, President & Chief Executive Officer.

In consideration of the services to be provided, Golden Pursuit Resources Ltd.'s monthly fees will be a cash consideration of up to \$9,000 CAD starting June 1st, 2024, for a period of seven months ending December 31<sup>st</sup>, 2024, and renewable monthly thereafter.

Renmark Financial Communications does not have any interest, directly or indirectly, in Golden Pursuit Resources Ltd. or its securities, or any right or intent to acquire such an interest.

The foregoing is subject to the approval of the TSX Venture Exchange.
